Re: SFL Seeking Worker Nominees

The government has invited the SFL to put forward names of individuals to serve on the Occupational Health and Safety Council. There are four worker representatives and four employer representatives on the Council.

The SFL will be putting forward three names and the Building Trades will nominate one person.

If you wish to nominate someone for the Council please forward a resume to the **CEP Regina office** by 5 p.m. on **February 13th** so that we can deal with the proposed names and forward them to the SFL.

In Solidarity,

Rhoda Cossar
National Representative
